*Attach additional pages (no more than 3) that respond to the following questions as they apply to your project:*

- How will this project extend the ministry of St. John's?
- Explain how this project supports the Mission and Vision statements adopted by the Vestry.
- Attach a detailed budget showing how and when the funds will be used. Identify any other sources of funds that will be used in this project and the expected amount of those funds.
- Will this project require funding in addition to the funds requested in this application? If so, describe the strategy for obtaining the additional funding.
- Will this be a continuing project? If so, for how long? What will be the source of funds for the continuation of this project?
- If only partial funding of this request is possible, explain whether less than full funding will prevent the project from going forward.
- What is the expected outcome of this project? How will the results of this project be measured and evaluated?
- Is there anything else about this project and the use of NPF funds that is significant?

*A written report and accounting will be required 12 months after the grant is approved. Interim reports may also be required at the discretion of the NPF Board and the Vestry.*
